## Exalted Ruler's Message

We are well into summer now and that means we are heading into our summer break. With that we will only have two lodge meetings for July and August: one on July 12th and one on August 9th. Even though we will have fewer meetings it is shaping up to be a busy summer. First off, in July, my wife Pennie and myself along with a few others from the Caldwell Lodge will be attending Grand Lodge Convention June 30th to July 5th. This should be a great convention with it being the 150th anniversary of the BPOE.

On July 19th and 20th we will be hosting an event called the Tribute to Fallen Soldiers Northwest Memorial Ride. This event is an organized motorcycle ride starting in Eugene, Oregon and ending with a wreath laying ceremony at the Tomb of The Unknown soldier. The group is going to be spending the night at the Caldwell Lodge. We will be providing dinner for them the night of the 19th and breakfast for them the next morning, so we are going to need some help on those days to make it happen. If you are interested in helping please contact the Lodge or any officer.

July 24th will be our annual fill the bus, so you can bring down school supplies anytime. I would encourage everyone to support this event as this reaches hundreds of children throughout the valley. Remember this is what we do as Elks, WE CARE AND WE SHARE.

July 25th and 26th are the dates for this year's Junior Golf Tournament. Deke Marmon is once again chairing this event so if you know some junior golfers that might want to participate or if you would like to help please contact Deke and let him know.

Sunday, August 19th is the date for the family picnic. This is a great opportunity to have a great time with your fellow Elks. Please invite your family and friends to join you so that they can see that the Elks is

a great organization. Hope to see you there. GAMES, FOOD, FELLOWSHIP!!!

Scott Bressler and his committee are still finalizing plans for the 1st Annual Caldwell Elks Lodge Hop & Vine Festival. This is scheduled for Saturday August 25th. This should be a great event and a good opportunity to sample some local wine and craft beer. We are also having a drawing for a shotgun along with this event, tickets are \$10 each and are available at the bar or from the officers.

The State Convention was held recently in Nampa. Our Lodge was well represented by the officers, and members. The highlight of this year's convention for Caldwell was the election of Chuck Roberts to VP South of the Idaho State Elks Association and with the appointment of Tom Marmon to the position of District Deputy Grand Exalted Ruler. I want to thank them for their continued support of Elkdom and congratulate them in their new roles. GOOD JOB GUYS

I want to wish everybody a Happy 4th of July and have a great summer!

"Those who dare to fail miserably can achieve greatly."

## ENF Dinner

Once again, we are starting off fundraising dinners with a great meal! Please join us on Sept. 15th, 2018 for the ENF Dinner. We are serving steak, baked potato, tossed salad and a dinner roll. \$25 per person. There will be live music and dancing following dinner.

This our first big dinner function of the new year so let's start the fundraising season with a big bang! Please join us for great food, good music and fellow Elks. You can get your tickets at the bar, from any of the officers or the numerous members who are gracious enough to peddle tickets.

Please join us, contribute, participate and enjoy this event. Here is what the ENF is all about: "Since inception, the ENF has contributed \$453.9 million toward Elks charitable projects nationwide. Our programs continue to grow each year, allowing Elks to do even more to build stronger communities.

This year, the ENF allocated \$12.4 million to fund the Community Investment Program, investing in Elks communities through grants for Elks Lodges. Our Lodge applies for and is awarded a lot of money through these ENF grants. I believe it was announced at State Convention that Caldwell Lodge received the most grants in Idaho totaling \$18,000.00.

Please participate, our community is counting on our projects. We hope to see you at the dinner. If you cannot attend, please know we always take donations for the ENF program!!!!

## Family Food and Fun!

Please mark your calendars to attend the Caldwell Lodge Family Picnic on Sunday, August 19, 2018. The picnic will be held on the lawn at the Lodge. As in the past, hamburgers and hotdogs will be provided. Bring a covered dish and join us for an enjoyable afternoon. Games and prizes for the kids, and who knows, we may even get a horseshoe and/or washoe tournament going. The Picnic starts at noon and we hope to see you all there. As always, we appreciate your participation in these lodge events. This is a great time to come and visit with old friends and to make some new friends.

## FIND YOUR HIDDEN MEMBERSHIP NUMBER

## *From the Station of Justice*

What is the foundation and groundwork of our order? The Esquire, during initiation, answers this question. Can you remember the answer? It is a simple but powerful answer; "To do unto others as we would, they should, do unto us." The golden rule we teach our children, the rule that all mankind should live by, regardless of whether or not we are Elks.

Recently, I have been working to become a basketball official. Weekend basketball tournaments have filled my calendar this past June. This is new to me and has been a challenge. I know the game and the rules and have been working hard on my mechanics. I can tell you with certainty that it is not as easy as it looks. A good friend of mine who got me started on this path told me something the other day. He said "The better person you are off of the court, the better referee you will be on the court." This statement hit home with me. I thought about the Elks immediately. Although they are different words the statement kept bringing me back to the golden rule, or as we call it, the foundation and groundwork of our order.

In my eyes, it comes down to being the best person I can be. It is the small things in life that can make a big difference. I'm sure we can all agree that life is not always easy. You can affect someone's day by being the good person. For example, letting the car go in front of you that has been trying to merge into traffic, holding the door open for someone when entering a building, or smiling and saying thank you to the cashier whose line you have been standing in for 20 minutes. These examples are just a few of the small things that if you take the time to do, will be paid forward making the world a better place to live in.

Take that extra minute to be a better person. That is what being an Elk is all about. It is what the golden rule reminds us to do, and it is the foundation and groundwork of our great order.

Raymond Wilson,  
Esteemed Loyal Knight

## *From the Station of Brotherly Love*

July is here with promises of clear skies and sweltering heat. A perfect time to enjoy outdoors activities with family, friends and fellow Elks. For those intolerant to heat, the airconditioned lodge is a terrific alternative; enjoy a Friday night dinner, lunch, cocktail or friendly conversation without driving to Boise.

Happy birthday USA is knocking at the door, July 4th falls on a Wednesday this year. The Elks will be pulling the Drug Trailer during this year's parade. Jack Rogers and his children will be "the float", but due to some key players having conflicts with National Convention, perhaps a

few Elks looking for a new opportunity can get in touch with Jack and volunteer their help! We need to continue to grow this great organization locally and nationally. Our values are too important to not be promoted at every chance we have.

We continue to have events throughout July and August. Paint-nite continues and we host a veterans' motorcycle ride for the Fallen Soldiers Northwest on July 19th. We will be feeding these veterans, housing them overnight and assisting them in guarding the eternal flame. I encourage you to come down and support this event. We are, at this moment looking for sponsors to help provide gas cards to help with the costs of this great event.

Last but not least, please remember the Mid-Summer Hops & Vine Festival. Anyone with connections to local breweries, speak on our behalf! We need more breweries at this event. We welcome any help. The date is set for August 25th. Enjoy your summer with fellows Elks, friends and family

Scott Bressler,  
Lecturing Knight

## *From the Station of Charity*

Yeah – summer! There's just something about the warmth, the blue sky, and the sunshine.

Just a few weeks ago the Idaho State Elks Association held its summer convention at the Nampa Elks Lodge. It's the first one I've attended in many years. I was very happy to visit with members from other lodges around the State whom I haven't seen in a long time. I was also fortunate enough to meet and make connection with other members from various lodges. It was a great convention and a good time.

On another note I would like to say a few words about the Elks National Foundation (ENF). In 1928 the then-Elks National President envisioned a plan that would "unite the forces of the Order into a mighty army for the service of mankind". With his vision and inspiration action was taken at the Grand Lodge Convention that year by voting to establish the ENF.

The mission of the ENF is to help Elks build stronger communities. This pledge is fulfilled by investing in communities where Elks live and work. The ENF, through the local lodges, help youth develop lifelong skills, send students to college, meet the needs of today's veterans, support the charitable work of the state Elks associations, and fund projects that improve the quality of life in our communities.

As Elks we all value the belief that charity is the greatest of all virtues and that by sharing and giving, we have the power to replace sorrow and despair with hope and confidence. Just keep in mind that our members make all the difference and your donations to the ENF support the many charitable programs that your lodge champions throughout the year.

Hope to see you at the next lodge meeting.

## News from the Kitchen

Summer is in full swing and we have been busy with banquets so if you have an event coming up and need a venue, get it booked now.

A couple of dates to remember, we are closed on Wednesday, July 4th and we will NOT be serving dinner on July 6th. Mixed club will be July 12 and 26th and August 9th. Starting on Friday, August 3rd, we will be bringing back Prime Rib night. We will only be having prime rib in the restaurant once a month on the first Friday of each month. Please come for dinner and make this a success so maybe we can have it more often.

Starting Saturday, July 7th, we will not be opening the facility until 1:00 p.m. on Saturday's only. We have tracked sales and determined that it is not cost effective to be open on Saturdays at 11:00 a.m. As you are aware, summer months tend to be slow at the lodge and we encourage you to come down and support us this summer.

Thank you  
Janine and Staff.

## *Americanism*

As some of you are aware, Tom Tuttle was the Idaho State Elks Americanism Chairman for years. Tom has since passed, but his message lives on. Below is the wonderful reminder that Tom shared with us each year: What does it all mean? Why must we continue our patriotism? Every year, in June, a Flag Day ceremony is performed at the Veterans Home in Boise. This ceremony shows the many flags throughout our history as a nation, displaying them and unfolding the history behind each flag.

In the beginning our nation was a colony under the rule of England. It was felt by our fore fathers that we were not being dealt with fairly by our ruler and a change was needed, even at the cost of lives. These brave colonists undertook their goal of being their own nation with a government of the people, by the people and for the people. We had many battles along the way that challenged our right to be a free, self-governed nation. The first of course was the Revolutionary War; the second, the War of 1812 in which Francis Scott Key wrote the idea for the national anthem during the great battle of fleets which could have lost us our freedom to govern ourselves.

It was all lost until the next morning when Key and a Dr. Beame caught sight of the flag still waiving. To quote Key "O Say, does that Star-Spangled Banner yet wave, o'er the land of the free and the home of the brave". The fort held by 1,000 brave men had held and turned the tide in the war. Later the Civil War was waged in order to bring back a united nation rather than a divided nation. Each war created a different threat to our sovereignty. In each war, men and women gave their lives in order to ensure that sovereignty.

What it all means, is that our values must continue to grow in the desire to preserve a nation in which people are free to govern themselves, defend themselves and enjoy rights that so many nations would love to have, but that are unavailable to them. A Democratic government is a great form of government, but it takes people with a strong will to survive. We look at our flag as a symbol of that freedom! We look at our veterans as the defense of that Freedom! We look at our God as the Devine leader! As we observe our Independence Day, give some thought to why this celebration exists and how lucky we are to have had those brave men and women who stood up for its existence. God Bless you All, God Bless America.

## *Yard Sale*

We've been asked "Are we having a Yard Sale this year?" The answer is YES!!! We have not yet set a date, but I'm confident the magic month will be September. This gives people more time to gather their gently used items in July and August. So, let's all keep collecting, bring your stuff to the back-storage room at the lodge and let's look to a giant sale later. We are open for donations NOW!!!!!!!!!!

## *Dues Reminder*

If you have not paid your dues and do not have a current 2018/2019 membership card, you are not allowed to use the social quarters until your dues are 6624 brought current. If you have any questions, call Traci Roberts Marmon, Secretary at 208-454-1448. If you have any issues regarding your dues, she will be happy to discuss those issues.

## *Fill the Bus*

We are once again having our Fill the Bus School Supply Drive. As in the past, you can drop off school supplies or donations at any time between now and July 24th. We will have a barrel located in the lobby at the Lodge for your donations. We are looking for all types of school supplies for all ages of children. Pens, pencils, paper, folders, backpacks, markers, you name it, we need it.

This drive reaches 100s of children going back to school each year. If you're out, grab a pack of pencils, grab a ruler, grab a little something, something. A little goes a long way. If you don't have the time or temperament to shop drop off a \$\$ donation, clearly marked for the Fill the Bus project and we will do the shopping. If you have not already done so, please stop by and fill the bus with donated school supplies, or in the alternative, just get cash, check or charge \$\$\$\$ to our secretary and we will do the shopping.

In the past, we have donated thousands of dollars worth of supplies for children in need. Please participate in this worthwhile cause. Drop off some paper and help those children in need.

## *Fun Bus*

We had such a great time in April that we are tentatively scheduling another "Fun Bus" to Winnemucca, Nevada. The dates we have in mind are as follows: we will leave the Lodge at 6:00 p.m. on Friday, September 28th and returning on Sunday, September 30th.

We are expecting a \$5.00 increase in the cost of the trip, making it \$65.00 per person and that includes the bus to Winnemucca, 2 nights stay at the Winners Casino, \$15.00 in food vouchers and \$15.00 worth of casino play at Winners. Space is limited so please make your reservations early.

We did receive a few complaints regarding bringing dogs on the bus, so we would certainly appreciate it if you refrained from bringing your animals. You can contact Traci Roberts Marmon or the lodge at 208-284-2913 and make your reservations. If you have any questions or concerns, please contact Traci.

## *Annual Auction*

Please mark your calendars for the Annual Auction, set for Saturday October 20, 2018. As you know this is our Lodge's big- gest fundraiser of the year. It is never too soon to start gathering donated items for this event. There are vouchers/receipts in the office, so feel free to bring down any items you wish to donate or grab some vouchers/receipts and hit the pavement to procure donations from friends, family and local businesses.

If you have questions, please contact Mike Jorgensen or Ray Wilson. As always, your participation is very much appreciated. You will find more information in September's Call. Your support is vital to the success of this event we hope to see you there.
